

In-Floor Scale

Model SRV95xIFS Series

SR In-floor platform scales are a great alternative when floor space is at a premium. The flush surface eliminates tripping hazards and hallway accessibility issues.

The Scale features a 4.3" large color touch screen display that is easy to read. The scale surface has a non-slip polyurea coating infused with an aggregate to provide a slip-free surface for animals thus reducing the fear that animals often experience with a scale.

An optional second readout provides ease of viewing for busy staff.

CAPACITY

400 lbs or 182 kgs

ALWAYS ON

AC wall power means the scale is always on and ready to weigh.

AUTO-HOLD/ RECALL

Scale will automatically lock in on weight above 1 kilogram.

WIRELESS CAPABILITY

Scale comes with peer to peer wi-fi to communicate with an optional auxiliary display (FR95X-AUX). Note: facility does not need wi-fi for this feature to work.

QR WEIGHT DISPLAY

Simply touching the displayed weight will switch the weight to a QR code for easy scanning into your medical record system. Touch again to switch back.
